MEMORANDUM FOR: Director of Security

SUBJECT : Agreement Between the United States Secret Service and the Central Intelligence Agency Concerning Protection Within the United States of the President and Certain Other Persons

25X1A

1. Attached agreement was discussed with [REDACTED] CI Staff, who prefers to omit the following reference to overseas support in Paragraph I of the Agreement:

"CIA participates in protecting the President and other persons designated in section 3056 while they are outside the United States by assisting the State Department in performance of its agreement with the Secret Service to provide such protection."

Otherwise, the CI Staff concurs in the agreement.

2. [REDACTED] was in on the original agreement and is familiar with all aspects. As a result of the Warren Commission study, written agreements were to be obtained from CIA, FBI and State in connection with the support of the Secret Service. [REDACTED] said CIA was faced with writing two agreements--one for within the U.S. and the other outside the U.S. At the time he felt State should write on the overseas phase. In the meantime, CIA had executed an agreement with the Secret Service involving protection of the President within the U.S. (1965). Finally State completed its part in 1966 and is "now on the books." Looking at the State regulations, [REDACTED] said it was not necessary for CIA to execute a second agreement.

3. [REDACTED] further said there was no need to reference CIA's participation outside the U.S. in the attached agreement

as "this would be a delusion." [REDACTED] 25X1A  
in the performance of his duties; in this case protecting the  
President and others as required. He said some confusion may  
result if the reference was left in and may be used against us  
under some unforeseen circumstances.

4. [REDACTED] was advised that I could see no reason why the  
sentence could not be deleted but would check it out in OS. Since  
[REDACTED] handled the first agreement initially, he agreed to process  
this agreement through his channels after I give him our concur-  
rence. He will coordinate whatever action is required with the  
General Counsel. [REDACTED] said he had talked with GC about the  
deletion yesterday and he was informed Security had concurred  
in the agreement.

5. Recommend we concur with the CI Staff in the deletion  
of the sentence as set forth in paragraph 1 above.
